Welcome to POLYMER22

We invite you to join POLYMER22, the international conference that takes circular economy to solution mode!

This year, we are proud to present new findings and innovative solutions developed in cross-sector collaborations with both small SME's and global enterprises like Vestas, Olin, Trebo, Novo Nordisk, BESTSELLER, and more. SEE FULL PROGRAMME BELOW.

Who are you?

If you're a manager or specialist on R&D, CSR or innovation, POLYMER22 is relevant for you. The conference has a focus on tangible solutions viewed from both a technical and business perspective.

Come to Aarhus or join online

POLYMER22 is taking place on 2 November 2022 at Danish Technological Institute, Kongsvang Allé 29 in Aarhus, Denmark - building 1, The Conference Room. Alternatively, you are welcome to participate online.

Link to online tickets

If you wish to participate online, please [register here](#). If you wish to participate in Aarhus, register on this page.

Price

On site at DTI in Aarhus 1,000 DKK

Online 750 DKK

IDA members and students 500 DKK - please note that you are a member of IDA or a student when you register to receive the discount.

Last registration day October 26

This conference is presented in cooperation with [CLEAN – Environmental Cluster Denmark](#), [IDA Polymer](#), and [Plastindustrien – The Danish Plastics Federation](#).
